

Claude "Bud" Lewis  
Carlsbad Desalination Plant

## **HP Retiree Club Carlsbad Desalination Plant Tour Tuesday, March 5 ~ 11:30 – 12:30**

Tour the largest, most technically advanced and environmentally sound desalination plant in the western hemisphere! You will have the opportunity to observe the state of the art process of turning water from the Pacific Ocean into high quality drinking water that is now serving nearly a half a million San Diegans. You will also sample this new water supply right from source.

We will meet at the parking lot at 4600 Carlsbad Blvd., Gate 1, no later than 11:15.am The tour will last 1 hour and is limited to the first 25 people who register on the club site. Attendees must wear closed toe shoes and long pants.

**Lunch on own after the tour at Ruby's Diner,  
at the Carlsbad Premium Outlet mall.**

**Register no later than February 26.**

Log on to [hprcsc.org](http://hprcsc.org) & click on "events" to sign up for  
the tour and/or lunch.
